Rates & Registration Guide

The cost for Family Camp depends on lodging choice and the number and age of those in your family for meals. The following will guide you through the registration process. The link to online registration can be found on our website here:

<http://www.ridgehaven.org/registration>. Family Camp Registration will open to the public on November 16th at 1:00pm EST.

1. List Each Attendee

Each member of your family will be listed in one of the following categories: Adult (18+), Youth (12-17), Child (6-11) Child (2-5), Child (under 2). The category will be based on **each person's age** on the first day of the camp week. If you attended Family Camp any year from 2020 – 2023, your family members and their information will already be saved! **Important Note:** You **must** put "0" for any unused age category.

2. Select Lodging

You will select a lodging option from the options below based on the number of family members.

Air-Conditioned Motel Style Rooms:

Large rooms are in the Averett Building with a private bath per room. 1 or 2 room options available.

Standard rooms are in one of our Cluster Lodges with a private bath per room.

NEW! Bunkhouse rooms are brand-new youth/camper cabins with 12 sets of bunks (24 twins) and private showers & toilets and open sinks. These are low to the ground with very few steps. Located very close to the Badger Barn Gym and central to campus.

Open-Air Cabins:

You may choose from one of our three Open-Air cabin villages which offer a more rustic camping experience.

Shenandoah "Treehouse" Cabins are located in the middle of campus, sit up high on "stilts," and have one large bathhouse.

Creekside and Mudgeville Cabins are a 15-minute walk to the center of campus (there is parking available nearby for guests that wish to drive back and forth). Both villages are surrounded by large shade trees, enjoy a couple of cool, babbling creeks, and a shared bathhouse.

Creekside cabins are on stilts with stairs and Mudgeville cabins are lower to the ground with minimal stairs.

Bring Your Own Lodging:

Bring your family in your RV or camper and stay in one of our renovated RV sites. Full hook-up with 30- and 50-amp electric at each site. Located close to amenities, a comfortable 5-minute walk to Jolly Dining Hall.
